

## 2024 Testing Laboratories

Updated 2/8/2024

\*Only the listed testing laboratories may test pre-harvest or post-remediation industrial hemp samples collected by a Trained Sampling Agent to determine a lot's compliance with the Virginia Industrial Hemp Law.

Laboratory	Website	Phone Number
New Bloom Labs	<a href="http://www.newbloomlabs.com">www.newbloomlabs.com</a>	844-837-8223
Trichome Analytical	<a href="http://www.trichomeanalytical.com">www.trichomeanalytical.com</a>	856-316-0600
Terramor Technologies LLC	<a href="http://www.terramortechnologies.com">www.terramortechnologies.com</a>	540-824-3420
Indy Health Labs	<a href="http://indyhealthlabs.com">indyhealthlabs.com</a>	540-682-2160
Green Analytics Virginia	<a href="http://www.greenanalyticsva.com">www.greenanalyticsva.com</a>	540-682-3765

*Please note that this is a list of laboratories that may conduct compliance testing of industrial hemp crops. If you are looking for a lab to test edible hemp products or hemp products intended for smoking, you should contact the lab first to determine if it has the required ISO accreditation.*
